SELECTMEN'S ANNUAL REPORT TO THE TOWN

The process of updating the Town's Master Plan is now complete. The final draft has been presented to the Planning Board. The plan has been voted upon and adopted as presented. The Master Plan Committee is to be congratulated for a job well done. Their leadership, dedication and hard work has produced a very comprehensive and futuristic document that will serve the town for many years to come.

The recycling of solid waste, presently on a voluntary basis, is off and running it appears to be very successful. The initial goals of the Recycling Committee have been achieved and surpassed. Congratulations to the Committee for an outstanding effort. The Selectmen encourage all residents to fully participate in this very important program. With your help we will reduce the cost of solid waste disposal by removing recyclables from the wastestream.

Two separate Bond proposals regarding a new police station and an addition to the school are before the voters this year. The Selectmen urge all residents to review these projects by attending both the School District and Town Meeting.

Earlier in the year, a decision was made by the Board of Selectmen to spread payment of this year's tax obligation over an eighteen month period, rather than obligate the taxpayer to pay all applicable taxes within a twelve month period. This decision was consistent with accepted accounting principals as evidenced by the manner in which the tax rate was set by the Department of Revenue Administration. The illusion of a tax reduc-

tion may have been evident, when in fact the Selectmen's intent was to make the tax payment process less burdensome.

A special note of thanks is due to all Town employees for their untiring effort and efficiency in fulfilling their individually assigned responsibilities. Each of our department heads deserve special mention for their continued efforts in controlling and managing their approved budgets.

In closing the Selectmen wish to thank the many dedicated citizens, who volunteer their time and energies to the continued success and management of North Hampton. Without them the Town could not function.

To choose one Selectman for a term of three years, one Town Treasurer, one Collector of Taxes and all necessary Town Officers for the ensuing years.

ARTICLE II.

To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money in anticipation of taxes.

ARTICLE III.

To see if the Town will vote to authorize and empower the Board of Selectmen or a majority of them to sell and convey the real property acquired by the Town by tax sale,

any such sale to be at public auction to the highest bidder.

ARTICLE IV.

To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the fiscal year pursuant to New Hampshire Revised Statutes annotated Chapter 31: Section 95-b.

ARTICLE V.

To see if the Town will vote to accept the reports of the Town Officers.

ARTICLE VI.

(ON THE OFFICIAL BALLOT) ARE YOU IN FAVOR OF THE ADOPTION OF THE AMENDMENT AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN ZONING ORDINANCE, AS FOLLOWS;

To see if the Town will vote to amend Section 506 (Signs & Billboards) by the following action:

SECTION 506.3 (c)

Eliminate the last sentence, "Only one such sign shall be permitted in conjunction with any building, excluding accessory buildings." and replace with:

"Only one such sign shall be permitted in conjunction with any building or buildings on the same parcel of land."

ARTICLE VII. BOND PROPOSAL NUMBER 1
(RECOMMENDED BY THE BUDGET COMMITTEE)
(RECOMMENDED BY THE PLANNING BOARD)

To see if the Town will vote to raise and appropriate \$1,898,400 for the following purposes: construction of additions to the fire station for the police and fire department purposes and an addition to the town offices, including related alterations to the existing facilities, renovation and alteration of the town hall, related site improvements and equipment and furnishings of a lasting character; to authorize the Selectmen to raise this appropriation by borrowing \$1,898,400 under the Municipal Finance Act and to take all other action necessary to carry out the project.

ARTICLE VIII. BOND PROPOSAL NUMBER 2.
(RECOMMENDED BY THE BUDGET COMMITTEE)

To see if the Town will vote to raise and appropriate \$1,295,000 for the following purposes: construction of an addition and related alterations to the fire station for police and fire department purposes, renovation and alteration of the town hall, related site improvements and equipment and furnishings of a lasting character; to authorize the Selectmen to raise this appropriation by borrowing \$1,295,000 under the Municipal Finance Act and to take other action necessary to carry out the project.

ARTICLE IX. CONSERVATION COMMISSION
(NOT RECOMMENDED BY THE BUDGET COMMITTEE)

On petition of Richard J. Wolmar and 10 other legal voters of the Town of North Hampton, to see if the town will vote to raise and appropriate \$75,000 to the conser-

vation fund as authorized by RSA 36-A;5 to be used only for acquisition in the name of the town of the fee or lesser interest in conservation land and other costs associated therewith for permanent conservation use, and authorize the Selectmen to apply for and accept the State matching funds under the N.H. Land Conservation Investment Program RSA 221-A for the purposes of the acquisition of the fee or lesser interest in conservation land. Said appropriated funds and State matching funds may be expended by majority vote of the conservation commission with the approval of the Selectmen.

ARTICLE X. RECYCLING
(NOT RECOMMENDED BY THE BUDGET COMMITTEE)

To see if the Town will vote to raise and appropriate the sum of \$45,000 to start a solid waste recycling program for the purpose of handling, newsprint, corrugated cardboard, aluminum cans and plastic containers in accordance with the policies of the South East Regional Refuse Disposal District, 53-B.

ARTICLE XI. POLICE CRUISERS
(RECOMMENDED BY THE BUDGET COMMITTEE)

To see if the Town will vote to raise and appropriate a sum not to exceed \$22,000 for the purchase of two police cruisers, and authorize the Selectmen to withdraw not more than \$3,000 from Capital Reserve Fund No. 6 (Police Department) to defray part of the cost of said cruisers, and to authorize the Selectmen to act as agent for the Town in connection with the purpose for which this Fund was established in accordance with NHRSA 35;15.

ARTICLE XII. FISH
(RECOMMENDED BY THE BUDGET COMMITTEE)

On petition of Cynthia W. Lee and 12 other legal voters of the Town of North Hampton, to see if the Town will vote to raise and appropriate the sum of three hundred fifty-four dollars (\$354.00) to assist in defraying expenses expected to be incurred in North Hampton during 1989 by FISH, a not-for-profit and volunteer organization operating within North Hampton and providing, at no cost to users, transportation to medical facilities, clinics, doctors' offices, pharmacies and food stores and other locations, all in accordance with a request in writing presented to the North Hampton Budget Committee under date of November 15, 1988.

ARTICLE XIII. MASTER ARTICLE
(RECOMMENDED BY THE BUDGET COMMITTEE)

To see if the Town will vote to raise and appropriate the sum of \$3,331,747 which represents the bottom line of the posted budget (MS-7). Said sum is "exclusive of all special articles addressed".

ARTICLE XIV.

On petition of Robert J. Dunkle and 10 other legal voters of the Town of North Hampton, to see if the Town will vote to authorize the Town Treasurer to deposit all (100%) of the revenues collected pursuant to RSA 79-A (the land use change tax) in the Conservation Fund in accordance with RSA 36-A:5 III as authorized by RSA 79-A:25 II."

ARTICLE XV.

On petition of James M. Kobylarz and 11

other legal voters of the Town of North Hampton, to see if the town will vote to recognize the decreasing supply of housing affordable to our families and neighbors, the Town of North Hampton pledges itself to focus its full energies on solutions to the housing problem. This problem is one which should be addressed by those most directly affected -- the local community.

Therefore, this community directs the Board of Selectmen to appoint within 30 days an affordable housing committee. This committee shall report back to the Board of Selectmen within three months their recommended solutions, which the board will then work to implement. The Board of Selectmen shall report at the next regular Town Meeting on the status of solution implementation.

ARTICLE XVI.

To transact any other business that may legally come before this meeting.

Given under our hands and seals this 21st day of February,
in the year of our Lord, Nineteen Hundred and Eighty-nine.

To see if the Town will vote to raise and appropriate \$1,295,000 for the following purposes: construction of an addition and related alterations to the fire station for police and fire department purposes, renovation and alteration of the town hall, related site improvements and equipment and furnishings of a lasting character; to authorize the Selectmen to raise this appropriation by borrowing \$1,295,000 under the Municipal Finance Act and to take other action necessary to carry out the project.

Mr. Shaun Berry moved to accept as read by the Moderator, with Mr. Dick Lynch seconding. Mr. Shaun Berry presented this proposal and what it consisted of, what would

be deleted. Mr. Fields asked at this time if the winning side (NO's) had the right to reconsider their ballot vote. Moderator Paul Cuetara affirmed this explaining that specific to bond issues a seven (7) day period would have to lapse before the issue could be heard again. (Discussion of Article VIII).

Moderator Paul S. Cuetara declared the polls open for ballot voting, 2/3 majority vote, on Article VIII at 10:40 p.m. When majority had voted, the meeting would then proceed.

At 11:17 p.m. meeting was called back to order.

ARTICLE XI: POLICE CRUISERS
(Recommended by the Budget Committee).

To see if the Town will vote to raise and appropriate a sum not to exceed \$22,000 for the purchase of two (2) police cruisers, and authorize the Selectmen to withdraw not more than \$3,000 from Capital Reserve Fund No. 6 (Police Department) to defray part of the cost of said cruisers, and to authorize the Selectmen to act as an agent for the Town in connection with the purpose for which this Fund was established in accordance with NHRSA 35;15.

Motion made by Mr. Dick Lynch to accept the Article as read, seconded by Mr. Shaun Berry. Vote was by a show of hands. MOTION CARRIED.

ARTICLE XII: FISH
(Recommended by the Budget Committee)

On petition of Cynthia W. Lee and 12 other legal voters of the Town of North

Hampton, to see if the Town will vote to raise and appropriate the sum of three hundred fifty-four dollars (\$354.00) to assist in defraying expenses expected to be incurred in North Hampton during 1989 by FISH, a not-for-profit and volunteer organization operating within North Hampton and providing, at no cost to users, transportation to medical facilities, clinics, doctor's offices, pharmacies and food stores and other locations, all in accordance with a request in writing presented to the North Hampton Budget Committee under date of November 15, 1988.

Mrs. Cynthia Lee moved to accept Article as read, seconded by Mr. Shaun Berry. Vote by show of hands. MOTION CARRIED.

ARTICLE XIII: MASTER ARTICLE
(Recommended by the Budget Committee)

To see if the Town will vote to raise and appropriate the sum of \$3,331,747 which represents the bottom line of the posted budget (MS-7). Said sum is "exclusive of all special articles addressed".

Mr. Shaun Berry moved at this time, due to voting on Article VIII, to postpone this Article with Mr. Dick Lynch seconding. Voting by show of hands. MOTION CARRIED to postpone.

ARTICLE XIV: On petition of Robert J. Dunkle and 10 other legal voters of the Town of North Hampton, to see if the Town will vote to authorize the Town Treasurer to deposit all (100%) of the revenues collected pursuant to RSA 79-A (the land use change tax) in the Conservation Fund in accordance with RSA 36-A;5 III as authorized by RSA 79-A:25 II."

Mr. Robert Dunkle moved to accept the Article as read, seconded by Mr. Dick Lynch. Vote was by show of hands. MOTION CARRIED.

ARTICLE XV: On petition of James M. Kobylarz and 11 other legal voters of the Town of North Hampton, to see if the town will vote to recognize the decreasing supply of housing affordable to our families and neighbors, the Town of North Hampton pledges itself to focus its full energies on solutions to the housing problem. This problem is one which should be addressed by those most directly affected--the local community.

Therefore, this community directs the Board of Selectmen to appoint within 30 days an affordable housing committee. This committee shall report back to the Board of Selectmen within three(3) months their recommended solutions, which the board will then work to implement. The Board of Selectmen shall report at the next regular Town Meeting on the status of solution implementation.

Mrs. Nancy Beveridge made a motion to accept the Article as read with Mr. Dick Lynch seconding.

Mr. Fields proposed to amend the Article to read as follows:

On petition of James M. Kobylarz and 11 other legal voters the Town of North Hampton pledges itself to focus its "attention" on solutions to the housing problem. Therefore, this community directs the Board of Selectmen to the board will "deliberate" in its best judgement." The Board of Selectmen _ _ _ _ _

This was seconded and vote was by show of hands. AMENDMENT CARRIED.

Mr. Craig Kelleher offered the fact that every third (3rd) Thursday there is a meeting at 7:00 p.m. at the Library of the North Hampton Master Plan Committee to discuss such matters. Discussion followed.

Vote was by show of hands.

YES-48; NO-86

MOTION AS AMENDED - DEFEATED.

ARTICLE XIII was brought back for discussion. Mr. Craig Kelleher moved that we discuss this Article, but there should be no voting until results from Article VIII were received. Mr. Shaun Berry seconded.

Mr. Craig Kelleher read the budget line by line. General Government was put on hold until ballot voting was received. There was some discussion on Planning and Zoning budget line.

Public Safety was the next line item. Mr. Skip Goodwin asked that the budget recommended \$762,412 be raised to \$767,412. Mr. Dick Lynch seconded. This amount is for equipment and fire maintenance. Vote was by show of hands. AMENDMENT CARRIED.

The next line item that caused discussion was Parks and Recreation. Mr. Seaverns asked to amend the Budget recommended amount of \$30,770 to \$6,300 more. This was seconded. Vote was by show of hands. YES-52; NO-62. AMENDMENT DEFEATED.

At this time Article VIII ballot results were given.

257 BALLOTS CAST
144 - YES -- 113 - NO
ARTICLE VIII FAILED DUE TO NECESSARY 2/3's

Mr. Robert Fields made a parliaments inquire as to the procedure for him to move to reconsider Article VIII. After the Moderator explained the procedure, Mr. Fields moved to suspend the rules. Mr. Shaun Berry seconded. Motion passed by show of hands.

Mr. Fields moved to reconsider Article VIII. This was seconded. Moderator Paul Cuetara made the people aware that if this passed, another meeting to vote on this issue could not be heard any earlier than seven (7) days from this date. Vote was by show of hand count. YES - 81 -- NO - 49. MOTION PASSED to reconsider ARTICLE VIII.

Mr. Shaun Berry made a motion that the meeting to reconsider ARTICLE VIII be held Monday, March 27, 1989 at 7:30 p.m. at the Elementary School in North Hampton. This was seconded. Vote was by show of hands. PASSED.

Mr. Brandt made a motion to finish the Town Budget, ARTICLE XIII at the same meeting on Monday, March 27, 1989. This was seconded. Vote was by show of hands. MOTION PASSED.

Moderator Paul Cuetara recessed the meeting at 12:23 p.m.

Respectfully submitted,

RECESSED
SPECIAL TOWN MEETING
March 27, 1989

Moderator Paul S. Cuetara called the Special Town Meeting to discuss Article VIII at 7:30 p.m.

He explained the reasoning for the reconsideration of Article VIII. There was discussion which followed with the Moderator explaining the rules and parliamentary procedures allowed in the State of New Hampshire and Town meetings with the Moderator setting down ground rules to follow.

Moderator Paul Cuetara declared that Article VII was a dead Article and could not be discussed. He verified a 2/3 majority vote by secret ballot on the following would occur this evening:

ARTICLE VIII: BOND PROPOSAL NUMBER 2.
(Recommended by the Budget Committee).

To see if the Town will vote to raise and appropriate \$1,295,000 for the following purposes: construction of an addition and related alterations to the fire station for police and fire department purposes, renovation and alteration of the town hall, related site improvements and equipment and furnishings of a lasting character; to authorize the Selectmen to raise this appropriation by borrowing \$1,295,000 under the Municipal Finance Act and to take other action necessary to carry out the project.

Mr. Shaun Berry moved to accept the Article as read with Mr. Dick Lynch seconding.

Mr. Dick Lynch moved to amend Article VIII from \$1,295,000 to \$1,650,000. Mr. Lynch explained to the people on March 20, 1989, a work session was held by the Board of Selectmen at the Town Hall. This was a publicized session. The Budget Committee, Controller, Architects and a number of the general public were present. They had come up with a revised figure which reflected their efforts on cost control and a plan which would enable them to make necessary renovations. Mr. Lynch reminded the townspeople that they had approved the spending of \$7,500.00 for a study proposal at last years town meeting and the Selectmen had done their best to come up with a proposed amount that would meet the results of this study.

Mr. Lynch informed everyone that this would be a 20 year level payment plan. The town had been estimated at \$184 million appraisal, with a steady 3% growth rate. If Article VIII fails, the Selectmen will ask for an additional \$35,000 for a complete septic system. There was much discussion on this Article. Moderator Paul Cuetara allowed all comments to be heard. Moderator Cuetara called the question and reminded the people that they were voting on the money amended to the Article. Then the Article would be voted on which required a secret ballot, 2/3 majority vote to win. Mrs. S. Carter questioned the accuracy of a hand count regarding registered voters. Moderator Paul Cuetara stated that if 10 people stood and agreed that this should be by secret ballot because of that concern, he would abide by that. More than 10 people stood and it was declared at 8:43 p.m. that the voting polls were open for the amended figure. Moderator Cuetara stated that the polls did not have to be open for an hour, only until all present had voted.

Moderator Paul Cuetara declared polls closed at 9:25 p.m. D. Raymond, J. Hillier, D. Larkin, R. Gohke, Jr., were the official counters of the ballots.

493 BALLOTS CAST

167 - YES -- 326 NO AMENDMENT FAILED

Article VIII was then read by Moderator Cuetara once again to clarify what was being voted on and this did need a 2/3 majority vote which would be by secret ballot.

Mr. Craig Kelleher moved to recess the discussion of the budget until after balloting ended and the results announced. Mr. Shaun Berry seconded. Vote was by show of hands.

MOTION CARRIED, for recess of budget.

Polls were declared open for one hour at 9:40 p.m.

At 10:40 p.m., Moderator Paul Cuetara declared the polls closed and the official ballot counters - J. Hillier, D. Raymond, D. Larkin and R. Gohke, Jr., gave the following count:

451 BALLOTS CAST

278 - NO -- 173 - YES

ARTICLE VIII DEFEATED DUE TO LACK OF NECESSARY 2/3's

At 10:50 p.m. the meeting was reconvened to complete discussion of the budget Master Article:

Mr. Craig Kelleher continued to read the budget lines remaining.

There was discussion following on a few

line items. Mr. R. Sparkowich made a motion to cut the budget for the Planning and Zoning Board from \$52,500 to \$22,500. Motion failed due to a lack of a second.

Mr. Dick Lynch moved to amend the General Government Buildings line budget from \$99,000 to \$134,000 for front of fire department bowing out, failed septic system, new leach field, new roof for Town Hall, painting, shutters, furnace - replacement part (which cost \$1,000.00). This was seconded. Vote was by a show of hands. MOTION CARRIED.

Mr. Shaun Berry made a motion to amend the Interest Long Term Debt from \$79,680.00 to \$12,680.00 This was seconded by J. Bottomley. Vote was by a show of hands. MOTION CARRIED.

Seeing there was no other discussion, Moderator Paul S. Cuetara made a motion to vote on the sum of \$3,304,747.00 as amended. This was seconded. Vote was by show of hands. MOTION CARRIED.

Moderator Paul S. Cuetara, seeing there was no other business, adjourned the meeting at 11:00 p.m.

Respectfully submitted,

THE MASTER PLAN COMMITTEE

The Master Plan Committee was formed by the Planning Board in August, 1988 to work with Mr. Steve Bird of the Rockingham Planning Commission in his review and update of North Hampton's Master Plan.

The Master Plan Committee was made up of seven citizens of North Hampton. Some of the members were members of other town boards and committees and some were concerned citizens not involved in town government. The committee's members were, Allen Hines, Chairman; Thomas Fabisak, Vice Chairman; Craig Kelleher; Mary Herbert; Stanley Knowles; Marion Barron; Richard Shea. Richard Shea resigned for personal reasons in January, 1989 and was replaced by Robert Dunkle of North Hampton's Conservation Commission.

The Master Plan Committee met our consultant, Mr. Steve Bird, on the third Thursday of each month in the North Hampton Public Library. The meetings went on for fifteen months and the new Master Plan was completed in November, 1989.

The committee began by mailing a survey to all the households in the town to find out what the citizens want for the future of their town. The meetings were public and open to anyone who wanted to give the committee information or express concern about an issue. The meetings were usually covered by a reporter from The Hampton Union and articles about the committee and its work appeared in the local paper.

Lynn McLaren and Nancy Beveridge from the Seacoast United Way came to some of the meetings to express their concern about

housing in North Hampton. The late Mr. Ted Andrews came to express his concerns about elderly housing.

When the committee and Mr. Bird had finished the new Master Plan, the committee found three areas that it's members feel should be high on our list of priorities for the town to address.

The first area of concern is the protection of our aquifers. The committee feels that we must do everything we can to protect our water supply and make certain it does not become contaminated. The committee would like to see ordinances to do this as soon as possible.

The second area of concern is manufactured housing. North Hampton is not presently in compliance with RSA 674:32 which deals with manufactured housing in New Hampshire. The committee feels that North Hampton should comply with RSA 674:32 as soon as possible. We have suggested what we believe is the best way to do this.

The third area of concern is minimum lot sizes. We have recommended a change in our minimum lot size from two acres for each single family house to what we believe is a better system called soil type lot sizing. This new system considers the ability of the soil to accept waste water to determine the size of each lot. The advantages of this system are that it is legally defensible because it is scientifically based. This system is in use in several towns in New Hampshire and has been for some time. The experience of these towns has been good. Our current two acre zoning laws could be attacked as arbitrary and may not withstand a

legal challenge.

The Master Plan Committee presented a draft of the new master plan to the Board of Selectmen and the Planning Board on November 29, 1989. The Planning Board is completing its work on the plan and will present its findings to the citizens of North Hampton at a public meeting in January 1990.

Independent Auditor's Report

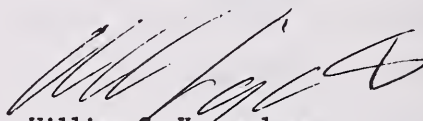

We have audited the accompanying Tax Collectors Report, and Summary of Tax Sale/Tax Lien Accounts of the Town of North Hampton, New Hampshire as of April 24, 1989. These statements are the responsibility of the Officials of the Town of North Hampton, New Hampshire. Our responsibility is to express an opinion on these statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement presentation. We believe that our opinion provides a reasonable basis for our opinion.

The accompanying special purpose statements were prepared for the purpose of complying with the rules and regulations of the State of New Hampshire RSA:41:36 and are not intended to be a complete presentation of the Town of North Hampton, New Hampshire's assets and liabilities.

In our opinion, the statements referred to above present fairly, in all material respects, the position of the Tax Collectors Report, and Summary of Tax Sale/Tax Lien Accounts of the Town of North Hampton, New Hampshire at April 24, 1989 and the results of its operations and its cash flow for the four months then ended in conformity with generally accepted accounting principles.

This report is intended solely for the information and use of the Selectmen of the Town of North Hampton, New Hampshire and should not be used for any other purpose.

TOWN BUDGET

THE STATE OF NEW HAMPSHIRE

TOWN OF NORTH HAMPTON

TOWN WARRANT FOR 1990

L.S.

To the Inhabitants of the Town of North Hampton in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the School Building on Atlantic Avenue, in said North Hampton on Tuesday, the 13th day of March, 1990, at 10 a.m. in the morning, business meeting to begin at 7:30 p.m., polls to close at 7:30 p.m. and to reopen at the close of the business meeting, remaining open until all who wish to have voted; to act upon the following subjects;

ARTICLE 1.

To choose one Selectman for a term of three years, one Town Treasurer, one Collector of Taxes and all necessary Town Officers for the ensuing years.

ARTICLE 2.

To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money in anticipation of taxes.

ARTICLE 3.

To see if the Town will vote to authorize and empower the Board of Selectmen or a majority of them to sell and convey the real property acquired by the Town by tax sale,

any such sale to be at public auction to the highest bidder.

ARTICLE 4.

To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the fiscal year pursuant to New Hampshire Revised Statutes annotated Chapter 31: Section 95-b.

ARTICLE 5.

To see if the Town will vote to accept the reports of the Town Officers.

ARTICLE 6.

(ON THE OFFICIAL BALLOT) ARE YOU IN FAVOR OF THE ADOPTION OF THE AMENDMENT AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN ZONING ORDINANCE, AS FOLLOWS;

To see if the Town will vote to amend, Article III, Section 302 (DEFINITIONS) by the following action:

Section 302.21 - Mobilehome:

Delete definition of Mobilehome, Section 302.21. Replace all references to "Mobile-homes" with "Manufactured Housing" in the Zoning Ordinance.

Section 302.26 - Multi Family Dwelling:

A residential structure containing more than two dwelling units.

Section 302.35

"35. Presite Built Housing: Any structure designed primarily for residential occupancy which is wholly or in substantial part made, fabricated, formed or assembled in off-site manufacturing facilities in conformance with the United States Department of Housing and Urban Development minimum property standards and local building codes, for installation, or assembly and installation, on the building site."

Section 302.37

"37. Manufactured Housing: Any structure, transportable in one or more sections, which, in the traveling mode, is 8 body feet or more in width and 40 feet or more in length, or when erected on site, is 720 square feet or more, and which is built on a permanent chassis and designed to be used as a dwelling with or without a permanent foundation when connected to required utilities, which include plumbing, heating and electrical heating systems contained therein. Manufactured housing placed on individual lots or in a subdivision shall be placed on a permanent foundation. All manufactured housing shall have a minimum width of 14 feet."

Section 302.39

"39. Two-Family Dwelling: A residential structure containing two dwelling units."

ARTICLE 7.

(ON THE OFFICIAL BALLOT) ARE YOU IN FAVOR OF THE ADOPTION OF THE AMENDMENT AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN

ZONING ORDINANCE, AS FOLLOWS:

To see if the Town will vote to amend, Article III, Section 302 (DEFINITIONS) by the following action:

Section 302.41 "41. Group Day Care: A child care facility taking care of more than six children on a full-time basis by at least two caregivers that is licensed by the Bureau of Child Care Standards & Licensing, Division of Public Health Services of the N.H. Department of Health and Welfare."

To see if the Town will vote to amend Article IV, District Regulations, Section 405, of the Zoning Ordinance by adding "Group Day Care" as a permitted use in the Industrial-Business/Residential District.

ARTICLE 8.

(ON THE OFFICIAL BALLOT) ARE YOU IN FAVOR OF THE ADOPTION OF THE AMENDMENT AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN ZONING ORDINANCE, AS FOLLOWS;

To see if the Town will vote to add a new Section 414, (Water Resources and Aquifer Protection) by the following action:

414.1 Statement of Policy. It shall be the policy of the Town of North Hampton to protect the quality of all water supplies within Town boundaries, especially on or near known aquifers and primary recharge areas.

414.2 Definitions. For the purposes of this section, toxic or hazardous materials shall be defined as any substance or mixture of such physical, chemical, or infectious characteristics as to pose a significant, actual

or potential hazard to water supplies, or other hazard to human health, if such substance were discharged to land or waters of this town. Toxic or hazardous materials include without limitation all volatile organic chemicals, petroleum products, heavy metals, radioactive or infectious waste, acid and alkalies, and include products such as pesticides, herbicides, solvents and thinners and such other substances as defined in New Hampshire Water Supply and Pollution Control rules (He-P 1901.03(v)) and in the 40 CFR 261, as amended, whichever is more restrictive.

414.3 Use Regulation.

(a) In all zoning districts, all runoff from impervious surfaces shall be recharged on the site and only minimum use shall be made of de-icing chemicals on all private and public roads and parking lots. Compounds used shall be free of sodium and chloride to the maximum extent possible.

(b) Prohibited Uses. The following uses are prohibited within the Town of North Hampton:

- The installation of underground tanks for storage of oil and petroleum products for residential purposes;
- The installation of underground tanks for storage of oil and petroleum products for non-residential purposes, unless that tank is subject to regulation under New Hampshire Code of Administrative Rules, Part Ws 411;
- Disposal of liquid or leachable waste (except from residential sub-surface disposal systems, or State approved commercial or industrial systems which discharge human waste only);

- Outdoor unenclosed or uncovered storage of road salt and other de-icing chemicals;
- Dumping of snow from outside of town boundaries if it contains road salt or de-icing chemicals;
- Injection wells that dispose of waste in the ground;
- Disposal of solid waste other than brush and other wood products.

(c) Conditional Uses. The following uses are presumed to be toxic or hazardous to ground water quality and will be permitted only if and to the extent that anyone proposing to engage in any such activity can demonstrate the contrary to the Planning Board. These uses, if allowed in the underlying zoning districts, are permitted only after a Conditional Use Permit is granted by the North Hampton Planning Board.

- Junk and salvage lots;
- Chemical and bacteriological laboratory operation;
- Dry Cleaning;
- Electronic circuit manufacturing;
- Metal plating, finishing, and polishing;
- Motor and machinery service and assembly;
- Painting, wood preserving and furniture stripping;
- Photographic processing;
- Printing;
- On-site handling, disposal, discharge, storage, processing or recycling of toxic or hazardous materials, including bulk storage of toxic materials for resale or distribution (except for routine delivery of heating oil);
- Industrial processes which discharge contact type process waters on site;
- Commercial animal feed lots;

(d) Standards and Conditions. After the requirement of Section 414.3 (c) have been met, the Planning Board may grant a Conditional Use Permit for any of the above uses, only after written findings of fact are made that all of the following are true:

1. The proposed user will make use of the best feasible technology to prevent any dangerous or hazardous impacts resulting from the proposed use, including but not necessarily limited to such impacts as the discharge or loss of hazardous materials resulting from corrosion, evaporation, accidental damage, spillage or vandalism.
2. The proposed use(s) will not detrimentally affect the quality of the water either by directly contributing to pollution or by increasing the long term susceptibility of the water to potential pollutants.
3. The proposed use will not cause a significant reduction in the long term volume or quality of water contained in the aquifers or in the storage capacity of any known aquifers over which the proposed use may be located.

414.4 Planning Board Authority. The Planning Board may require that the applicant provide data or reports prepared by a professional consultant qualified to assess any potential damage to ground water that may result from the proposed use. At the applicant's expense, the planning board may engage such professional assistance as it requires to evaluate adequately such reports and to evaluate, in general, the proposed use in light of the above criteria. The planning board may attach to such permit any reasonable conditions for construction and/or operation, including inspections by the Building inspector, or any other agent designated by

the Planning Board, to assure continued compliance with the conditions under which the approval was granted. A fee for inspection shall be charged to the owner according to a fee schedule determined by the Selectmen.

Effective Date. This section shall become effective upon date of passage.

ARTICLE 9.

(ON THE OFFICIAL BALLOT) ARE YOU IN FAVOR OF THE ADOPTION OF THE AMENDMENT AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN ZONING ORDINANCE, AS FOLLOWS;

To see if the Town will vote to amend, Article III, Section 302 (DEFINITIONS) by the following action:

Section 302.40

"40. Family Day Care: Taking care of up to six preschool children on a full-time basis and three school age children on a part-time basis as an accessory use to the principal use of the property."

To see if the Town will vote to amend Article IV, District Regulations, Section 405 of the Zoning Ordinance by adding, "Family Day Care" as a special exception in all zoning districts.

To see if the town will vote to add a new section 509, (Family Day Care) by the following action:

Section 509 Family Day Care: Family day care shall be permitted as a special exception, granted by the Zoning Board of Adjustment,

provided that it complies with the conditions set forth below. No Planning Board approval is required.

- 509.1 The family day care shall be carried on by a member of the family residing in the dwelling unit.
- 509.2 No more than six preschool children on a full-time basis and three school children age children on a part-time basis shall be cared for.
- 509.3 A licenses from the Bureau of Child Care Standards & Licensing, Division of Public Health Services of the N.H. Department of Health and Welfare is required.
- 509.4 Additional considerations shall include the impact on the neighborhood, traffic impact, adequacy of drop-off and pick-up area and provision for a safe outdoor play area.

ARTICLE 10.

(ON THE OFFICIAL BALLOT) ARE YOU IN FAVOR OF THE ADOPTION OF THE AMENDMENT AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN ZONING ORDINANCE, AS FOLLOWS;

To see if the Town will vote to amend, Article III, Section 302 (DEFINITIONS) by the following action:

Section 302.38 "38. Accessory Apartment: One dwelling unit, located within a single family dwelling, that is clearly subordinate to the principal dwelling and meets the conditions set forth in Section 513.

To see if the Town will vote to amend Article IV, District Regulations, Section 405 of the Zoning Ordinance by adding "Accessory Apartment" as a use permitted by special exception in all zoning districts and delet-

ing "Extended Family Apartment" as a special exception.

To see if the Town will vote to add a new section 513 (accessory apartment) by the following action:

Section 513 Accessory Apartment: Accessory apartments shall be permitted as a special exception, granted by the Zoning Board of Adjustment, provided that it complies with the conditions set forth below.

- 513.1 The property must conform to the dimensional requirements of a single-family lot.
- 513.2 The existing dwelling must have existed prior to the adoption of this ordinance.
- 513.3 The apartment must be contained within the existing single-family dwelling.
- 513.4 The dwelling to which an accessory apartment is added must be owner-occupied and a minimum of 2,000 square feet in total floor area.
- 513.5 The size of the apartment shall be between 400 and 800 square feet.
- 513.6 No more than two bedrooms are permitted in the accessory apartment.
- 513.7 The owner shall provide evidence to the Building Inspector that septic facilities are adequate for both units according to the standards of the Town and the N.H. Water Supply and Pollution Control Division. If deemed necessary by the Building Inspector, such evidence shall be in the form of certification by a State of N.H. licensed septic system designer. The Building Inspector shall indicate his approval in writing to the Zoning Board of Adjustment.
- 513.8 The apartment shall be designed so that the appearance

of the building remains that of a single-family dwelling. Any new entrance shall be located on the side or rear of the building.

TOWN OF NORTH HAMPTON
SCHOOL DISTRICT WARRANT

1990

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of North Hampton, in the County of Rockingham, State of New Hampshire, qualified to vote upon District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE NORTH HAMPTON ELEMENTARY SCHOOL ON MONDAY THE 5TH OF MARCH, 1990 AT 7:30 O'CLOCK IN THE EVENING TO ACT UPON THE FOLLOWING SUBJECTS:

Notice: School District Officers will be elected at the Town Meeting (North Hampton Elementary School, March 13, 1990. Polls open at 10:00 A.M. and close at 7:30 P.M.) in accordance with the Statutory Election Procedures adopted by the District at its March 1970 Annual Meeting.

1. To see if the District will vote to raise and appropriate the sum of \$1,840,000 (One Million Eight Hundred Forty Thousand Dollars) for construction of additions to the North Hampton Elementary School, for constructing new access drives and parking, for accomplishing other site work relative to the new additions, for providing equipment and furnishing for the new additions, for constructing an elevator in the existing building, for architectural and other service fees, and for any other items incidental to or necessary for the construction work; to determine whether the appropriation shall be raised by the issuance of sale of bonds or notes on the credit of the North Hampton School District in accordance with the provision of the municipal finance act (RSA Chapter 33); to authorize the School Board to invest said monies and to use the interest earned thereon for said project; to authorize the School Board to obtain State and any other aid which may be or become available; to authorize the School Board to determine (1) the time and place of payment of principle and interest, (2) the rate of interest, (3) the provisions for the sale of notes and/or bonds, (4) all the matters in connection therewith; or to take any other action relative thereto. (RECOMMENDED BY THE BUDGET COMMITTEE)

2. To see if the District will vote to raise and appropriate the sum of \$9,000 (Nine Thousand Dollars) to remove asbestos containing pipe fitting insulation from the gym locker rooms, to pay Industrial Hygienist fees for preparing specifications and for monitoring the work, and to replace the insulation with non-asbestos containing material. (RECOMMENDED BY THE BUDGET COMMITTEE)

3. To see if the District will vote to authorize the North Hampton School Board to accept State and/or Federal grants and/or gifts for the North Hampton School District.

4. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School Officials and Agents, and for the payment of statutory obligations of the District.

5. To see what action the District will take in relation to reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.

NORTH HAMPTON
INTERNAL INTERIM
FINANCIAL STATEMENT

Town of North Hampton

New Hampshire 03862

964-8087

February 9, 1989

The Board of Selectmen
Town of North Hampton
Atlantic Avenue
North Hampton, NH 03862

The internal financial statement of the Town of North Hampton is presented for the partial period of twelve months into the eighteen month fiscal year. The one time eighteen month accounting period was approved at the 1988 Annual Town Meeting, Article XIX. Article XIX changes the Town's year end from December 31 of each year to June 30 of each year.

The December 31 financial statement is not representative of the Town's year end and as such an audited financial statement is not mandated.

The mandated audit of the financial statement for the eighteen month fiscal year will be conducted after year end, that being June 30, 1990. That report will be included in next year's Town Book.

The designated fund balance is reserved for appropriations during the period of January 1, 1990 to June 30, 1990.

Respectfully Submitted,

Peter Secor
Town Controller

REPORT OF THE TRUSTEES
OF THE
NORTH HAMPTON LIBRARY

Have you read the North Hampton Library column in The Hampton Union? If you have, you have probably caught the sense of excitement and the upbeat atmosphere in our library. If you haven't you're missing reviews that will pique your interest. The increase in our circulation figures reflect the fact that the library is a busy place.

In August we welcomed Beverly Vetter as our Children's Librarian. She has been putting a lot of her energy into programs for children and coordinating materials with the public schools.

Our Head Librarian, Pam Schwotzer, has been working hard reviewing and ordering new books, overseeing the staff, and developing programs. Much of her time has been taken attending meetings dealing with computerization of library services.

Computers have become an important library tool. Under the direction of the N.H. State Library we are able to network with all the computer centers in the state. We can contact any of the centers to obtain requested material. In the future it will be the responsibility of the trustees to look into computerized circulation and cataloguing.

The Friends continue to be a strong component of our library. They provide passes to the Children's Museum in Portsmouth, Museum of Science and the Fine Arts Museum in Boston. This year they also purchased a microwave for the kitchen, and

financed the final special summer program. We hope their tree trimming party will become an annual event. New members are always welcome.

After serving for many years as a library trustee Katherine Southworth has decided not to seek re-election. Katherine spent many hours each month on the budget and did much to implement the use of the computer in the library. We will all miss her.

During the year we have received gifts from the townspeople for which we are very grateful. The library is a wonderful resource and we hope more people will come and visit.

TOWN OF NORTH HAMPTON
POLICE DEPARTMENT REPORT

1989 has been a busy year. Like last year there was a large increase in the number of businesses, increasing by 42 over 1988 to a total of 366. With these we generate more traffic, more people and more problems. There was a 31% increase in thefts, mostly from shoplifting and secondly from vehicles. However, burglaries are down 16% over 1988, but accidents are slightly up, which was expected with the increased traffic. The change in the price of the toll on I95 didn't help this problem at all.

We again were selected by the New Hampshire Highway Safety Agency to participate in their Driving While Intoxicated Program, where for twenty six weekends we add another cruiser unit to our highways to combat the problem of the drunk driver. The program was very effective and is fully funded by the Highway Safety Agency.

This department and the Sheriff's Department again this year went to the elementary school with the Officer Phil Program. This year there was a talking dog named K-9. He spoke to the children on all types of safety from buses to talking to strangers. Reports came back that it was a great hit with the children.

I would like to thank the various boards, department heads, Selectmen and the community for their support. It is very essential in the effective operation of any department. We again urge you to express your ideas on safety to the various departments and boards so we may all work together to make our community a safe place to live.

Respectfully Submitted, Chief Bruce I. Golden

TOWN OF NORTH HAMPTON
FIRE DEPARTMENT

Your Fire Department responded to 448 calls during 1989. These consisted of 92 structural fires, 27 mutual aid calls, 11 automobile fires, 32 automobile accidents, 53 miscellaneous calls, 8 grass and wood fires. The Fire Department also did 61 inspections, 71 public assistance and 225 ambulance calls.

This years project is to put Pre-Plans for all Master Boxes in town into the new computer. All commercial property will have drawings and plans in the computer to assist us in the future. As many of you know five years ago this department's dispatch center was put into a computer to assist us in responding to an incident. This new computer program will be a great benefit to the department.

Again this year I would like to thank the Ladies Auxiliary for their support during the year. The hot coffee in the middle of the night, and for their financial support in purchasing the Color Monitor for the computer. Your support is greatly appreciated by all members of this department.

Also, this year I would like to thank everyone who has assisted the department and to invite anyone interested to stop by the station and visit.

Respectfully submitted,

Chief Newman Goodwin Jr.

REPORT OF THE
TOWN OF NORTH HAMPTON
PUBLIC WORKS DEPARTMENT

During the year 1989 there were 15 snowstorms with an approximate accumulation of 40.5 inches, plus 5 rain and 7 freezing rain storms.

Summer maintenance consisted of patching pot holes, grading shoulders, mowing Dearborn Park and commons, trimming and grooming roadsides and picking up roadside litter.

We spent time at the Cherry Road Brush Dump site preparing for the Recycling Center that opened on November 29th. It's working out well, and we encourage everyone to recycle for a successful program.

Our street sign problem still exists from time to time, and we would appreciate a call or call the Police Department if you see anyone tampering with one.

Robert D. Strout
Public Works Director

REPORT OF THE CONSERVATION COMMISSION

The North Hampton Conservation Commission had a very successful year in 1989. We were able to acquire or exercise control over, 94.3 additional acres. All of this lay along the Winnicut River and represented purchases and Conservation Easements. This brings our total in Town to 8 pieces of land. Our most "interesting" lot is the 50 acres donated by David and Eugenia Boies in 1976.

We have written a brochure which hopefully will be in your hands by the time this is printed. This tells of our individual holdings and also contains a statement of our goals and purpose. Our overriding objective is and has been the protection and preservation of open and wooded lands in North Hampton. In addition we are concerned with the protection of our aquifers and their recharge areas. We do not think of this as of benefit to our water supplier, the Hampton Water Works Company, but rather we want to take care of our water supply - yours and mine. Bear in mind that the Water Company receives a little over half of their water from North Hampton.

Another phase of our activity is helping in the education of our young people. Each year we underwrite the cost of sending two individuals from our Elementary School to Conservation Camp. This camp, in Hillsborough, New Hampshire, is managed by the Society for the Protection of New Hampshire Forests. We also send one young student to a Land Use Seminar in Woodstock, N.H. for a week.

We are pleased with these two educational opportunities. One young lady came back from Conservation Camp, gave a report to our Commission which so impressed us we asked her to join our Board.

We are now engaged in locating a "target" piece of land which will serve not only as additional forest and field, but will also have open space which could be used by our athletic teams. From time to time we will ask for funds to support this.

REPORT OF THE NORTH HAMPTON MOSQUITO CONTROL COMMISSION

Few people would disagree that 1989 was the worst year for mosquitoes in at least 30 years. Perhaps, it is more appropriate to state that it was a good year for mosquitoes and a bad year for mammals.

The 1989 season began in April in the usual fashion with no expectations for a "heavy" year. There was one exception. The salt marsh larval surveys revealed unusually high dip counts. Up to 200 larvae per dip were found in several locations. Normally in April, 10 larvae per dip are found. By late May, the effects of the mild winter and timely spring rains on the mosquito population became apparent. Tremendous numbers of adult mosquitoes hatched in the salt marshes and swamps everywhere. Second to the intensity of the seasonal assault was the public response to this onslaught. Mosquito control agencies across the country received prime time TV coverage. It was comforting to realize that we weren't alone. Resident complaints increased more than 10-fold from previous years. Requests for additional spraying flooded our office. By June 1st, we all knew it was going to be a long season.

Periodic rainfall caused sporadic hatching in areas requiring additional larviciding. Therefore, weekly larval surveys were conducted to stay on top of breeding activity.

This past season, Bacillus thuringiensis israelensis or Bti. was used on all salt marshes and in many freshwater swamps. This product, a naturally occurring bacteria embedded on cord, is a highly selective larvicide for mosquito larvae. Upon inges-

tion, Bti disrupts the pH and enzymes of the mosquito. Midgut paralysis results, causing feeding to stop. Death occurs within 24 hours. Bti does not affect mammals, including humans, beneficial insects, fish, birds, amphibians, crustaceans, mollusks, earthworms or flatworms. Increased use of Bti will replace any dependency upon conventional insecticides such as ABATE.

Once mosquitoes have emerged as flying adults, the truck mounted sprayer is employed. Routes are sprayed in the evening, beginning as early as 7:00 pm or in the morning, beginning at 4:00 am. Resmethrin insecticide was used this past season. This product is the safest adulticide available for mosquito control and does not have the accompanying odor characteristic of most insecticides.

Adulticiding begins each summer when sufficient numbers of adult mosquitoes are caught in the weekly traps. The N.H. State Pesticide Control Division wants proof that the need for adulticiding is based upon this data, not merely a political decision. Lack of mosquitoes is rarely a problem. Usually, the weather is the limiting factor. Cool temperatures, wind and rain are major influences, in addition to driver or vehicle availability. During 1989, adulticiding was done 22 times as opposed to 19 times in 1988. Residents who do not want their property sprayed must notify our office in writing every year. Please send your correspondence to the Mosquito Control Department, 10 Front Street, Exeter, N.H., 03833 or 10 Central Road, Rye, N.H., 03870.

Currently, the town relies upon chemical control of mosquitoes. Insecticide use,

whether it be chemical, bacterial or hormonal is labor intensive, costly and only a temporary solution. OPEN MARSH WATER MANAGEMENT, OMWM, is a natural approach to controlling mosquitoes which is being used successfully up and down the coast of New England. OMWM uses natural fish predators to reduce the mosquito population by providing access for these fish to areas on the marsh where mosquitoes are breeding. These fish, mummichogs, are indigenous to the salt marsh and each fish can consume 300-500 mosquito larvae per day, reducing the mosquito population by 97% or more. The success of OMWM is dependent upon the ability of the mummichog to reach mosquito breeding sites and the survival of adequate numbers of fish during dry periods.

Many marshes were grid ditched in the past, radically changing the habitat by artificially draining the entire marsh, creating the appearance of a lush green landscape. This seemingly rich environment is deceptive in that it is not necessarily an indication of a healthy marsh. Pools and pannes have been eliminated, removing essential spawning, feeding, wintering and nursery habitats from the ecosystem. OMWM restores this important diversity, re-attracting a variety of wildlife including the increasingly scarce black duck.

Since alterations must be designed according to specific characteristics found on each salt marsh, monitoring various physical, chemical and biological conditions for one season is necessary to establish the needs of a particular marsh. Site evaluation determines which marshes are suitable for management practices. Therefore, a site inventory and evaluation is essential in developing a

management plan for any salt marsh site.

In Essex County, Massachusetts, where this program has already begun, the Massachusetts Audubon Society is a major supporter of the work because of its beneficial effect on bird habitats and populations. Returning the salt marshes to a more natural state will give all species of plants, shellfish, insects, fish and birds an equal opportunity for survival by not allowing one species an unnatural advantage. OMWM, a form of permanent mosquito, offers many rewards for the environment. If these goals are to be achieved, continued support and awareness is needed. Questions, concerns and support (in all forms) are welcome. Please contact Sarah T. MacGregor at 964-9264.

NORTH HAMPTON RECREATION COMMISSION

The North Hampton Recreation Commission has been most excited this year about obtaining limited beach parking for residents. Commission member, Grant Seaverns, spent a tremendous amount of time and effort in arranging for the lease from the State of 20 parking spaces at the North end of the North Hampton Beach. Residents were charged \$10.00 for a parking permit. We are hopeful that this parking arrangement will continue to be supported by the Town as we feel it is a great recreational asset for a coastal community such as North Hampton.

The Commission has continued efforts to improve and upgrade facilities at Dearborn Park. Landscaping work and crack repair on the tennis courts has been done.

Our Summer Recreation Program held at the school was again extremely successful and registered 207 children during its six week duration. Our thanks to the Director, Mary Lawrence, for a job well done. Six weeks of tennis lessons were again offered at Dearborn Park.

The school gym continues to be used two nights a week for volleyball games open to all adults. Consideration is being given to offering an aerobics class for adults as well.

The Recreation Commission again budgeted a sum of money to be paid to the Hampton Recreation Department in order that North Hampton Senior Citizens may take part in Hampton Senior activities at resident rates.

The Recreation Commission welcomes any comments or suggestions from residents.

Larry Eccard and Alison Robie

NORTH HAMPTON
YOUTH ASSOCIATION

The North Hampton Youth Association provides recreation services to the boys and girls in kindergarten to sixth grade. The sport programs offered continue to experience growth. Improvements to the programs this past year include more organized play in the 3rd and 4th grade age baseball program and soccer program expansion to include a travel team of 5th and 6th grades. Both the spring and fall programs ended with highly successful field day activities which included participation from all the children.

The improvement effort at Knowles Field, the NHYA recreation area, continues in earnest. This past year dugouts and a removable outfield fence were added.

The NHYA would like to thank all directors, coaches, and other citizens who volunteered their time to make the youth activities a success.

REPORT OF LAMPREY HEALTH CARE

Lamprey Health Care operates a medical program providing primary medical care and social services. The medical staff at Lamprey Health Care consists of seven physicians (five family physicians, one obstetrician/gynecologist and one pediatrician). A Certified Physician's Assistant and three Nurse Practitioners round out the provider staff. Nutritional counseling and social services are also a part of the services provided.

Lamprey Health Care has offices in Newmarket and in Raymond. It provides medical care to everyone including those that are underinsured and uninsured. Sliding fee scale arrangements are made with patients who cannot pay the full price for medical care. Approximately 60 visits will be made to Lamprey Health Care by residents of North Hampton by year's end.

Lamprey Health Care also operates the Senior Citizen Transportation Program for Rockingham County and makes it available to the elderly and handicapped residents of your community. Special appointments for medical or specialist care are arranged through the Transportation Coordinator. This service of the Transportation Program is most often provided to the residents of North Hampton and service for food shopping and pharmacy is also available.

Three of the five busses operated by Lamprey Health Care are wheelchair accessible to provide transportation to handicapped individuals.

This program provides one means for the

elderly and handicapped individuals to remain independent and in their own homes. Alternatives for many of the people who ride the Senior Transportation Program could mean a nursing home placement which is very expensive.

Lamprey Health Care also operates the Rockingham County Info-Center, a social service referral system which provides information and referral to people who call a toll-free number to get assistance with any number of problems. Our Information and Referral Coordinator is trained to know area resources and can help the caller handle just about any request for information. The Rockingham County Info-Center serves much like a triage for the social service and governmental agencies which serve Rockingham County.

Seacoast Tel-Med is also provided to residents of North Hampton and provides 24 hour a day - seven days per week, free access to medical and health information through the use of the telephone. In the privacy of their own home, residents of your community can call to listen to over 200 taped messages on a variety of health related topics. Tel-Med is not meant to be used as a diagnostic tool but it can help educate the caller about symptoms, health prevention activities and general knowledge of disease. Seacoast Tel-Med is funded through grants from the Foundation for Seacoast Health and Exeter Hospital.

Lamprey Health Care provides access to health care, transportation and information through its services. Access is of the greatest importance when residents of this area are looking for comprehensive health services. Support for these programs from

the community is vital to its continued operation.

We appreciate the support of the Town of North Hampton. If you have any questions, please call Priscilla Shaw, Director of Community Services or me directly. We will be happy to answer any questions you may have.

Thank you for your consideration and continued support.

Sincerely,

Ann H. Peters
Executive Director

ANNUAL REPORT OF THE
SEACOAST VISITING NURSE ASSOCIATION

Seacoast Village
29 Lafayette Road
(Tel. 964-2066)
North Hampton, N.H. 03862

Our fiscal year runs through June of 1989 and, during that time, of the 10,898 total calls we made, 2,218 were made for the residents of North Hampton. The breakdown of these calls is as follows:

Nursing_ _ _ _ _	1,491
Physical Therapy _ _ _ _ _	217
Occupational Therapy _ _ _ _ _	22
Home Health Aide _ _ _ _ _	488

Of these calls, 604 visits were made to 159 patients free of charge or at a reduced fee. Skilled nursing services are available twenty-four hours a day. No call is ever refused due to monetary consideration.

At present, 24 children from North Hampton are enrolled in our Well Child Clinic. Funding for these services is provided, in part, through the New Hampshire Division of Public Health Services, Bureau of Material and Child Health. Well Child Clinics are held twice a month to serve children birth to six years of age from families who meet federal income guidelines (O.M.B.). Dental Clinics, staffed by Dental Hygienists from the State of New Hampshire Dental Bureau, are held twice a year for children, ages three to six years old. Further treatment, when needed, is provided by the Bureau of Dental Health. The school nurse may send children to our office at no charge during the school year if the students' immunizations need to

be updated as required by law. Our agency has developed a Toddler Car Seat Program, whereby a car seat may be borrowed for short-term use or for as long as two years for a small rental fee.

Daily between 8:00 a.m. and 4:00 p.m. a walk-in service is available to all North Hampton residents at our office at Seacoast Village, 29 Lafayette Road, North Hampton, for free blood pressure screenings, health assessment, medication counseling and nutritional education. This past year we had 101 North Hampton residents make 395 visits to our office for injections, diabetic teaching, blood drawings, blood pressure monitoring, etc. Flu Clinics are held each Fall in our office, as well as at local health fairs on request. Vaccine is also provided for homebound patients. A Basic Foot Care Clinic was implemented in April, 1987, and has been well received by residents of North Hampton. During the past fiscal year, 23 residents made 94 visits to the Foot Care Clinic. Anyone sixty years of age and older, or individuals unable to perform own foot care due to visual problems, difficulty with manual dexterity, etc., are eligible for these Clinics. Individuals with Diabetes or circulatory problems will require a physician's approval for participation. This service is by appointment only and at a minimal fee.

Cholesterol Screening Clinics are held bi-monthly in our office on an appointment basis and at a minimal fee. Also, Respite Care is available. This service provides needed relief for relatives of homebound patients in blocks of two-hour intervals.

Our staff consists of five (5) full time

Registered Nurses, four (4) part time Registered Nurses, two (2) Physical Therapists, one (1) Occupational Therapist, one (1) Speech Therapist, one (1) full time Home Health Aide, three (3) part time Home Health Aides, a secretary and a bookkeeper. We also contract with Area Homemaker/Home Health Agency which enables us to refer local residents for homemaker assistance.

Funding cuts at Federal, State and local levels have compromised our agency's ability to serve everyone in need. On the advice of our accountant, the Board of Directors of the Seacoast Visiting Nurse Association has voted to request each town to increase their per capita appropriation. We feel this is necessary to continue to provide the same quality care to residents of this area. Your contribution to our agency expenses is a vital resource to our successful delivery of home nursing care in North Hampton.

HIGHWAY SAFETY COMMITTEE ANNUAL REPORT

This has been a year of many positive actions for promoting safety on our roads. While there remains much to be done, numerous actions and suggestions of the Committee have been implemented at both the State and local level.

In response to numerous complaints from the citizens concerning truck traffic using our secondary roads to by-pass the congestion on Route 1, all the Town roads were signed during the summer prohibiting all through truck traffic, except for local deliveries. This action has dramatically reduced the truck usage and should also lessen the wear and tear to these roads, particularly during the winter when frost combined with the heavy trucks creates additional maintenance problems and the attendant cost to the taxpayer.

One of the most dangerous intersections in Town, Exeter Road and Post Road, has been re-signed so that traffic traveling east is not confused with a multitude of directional and stop signs. The addition of a four-foot stop sign, a red blinker and additional warning signs to the west of the intersection by the State Highway Department have greatly reduced the potential for accidents.

The most persistent and perplexing problem continues to be the traffic dilemma at the North Hampton School. Members of this committee have met collectively and individually with the School Board and members of the School administration to address the situation. In an effort to direct the cars and buses, our Highway Department installed new larger signs at the entrance and exit to the

School driveway which clearly indicate the hours and direction of the flow of traffic. The crosswalk has been moved to the eastern entrance and greater effort has been exerted to make sure the blinking warning lights operate at the correct times. However, we are constantly frustrated by the lack of willingness on the part of some parents to cooperate with our efforts to provide for the safety of their children. At the beginning of the school year, each parent receives straight forward instructions as to the leaving off and picking up of their children; but for some reason, some parents believe that these rules are for the other parents and not for them. Violators have been ticketed by our Police Department, while many have been spoken to by the crossing guard. Further exacerbating the problem is that during periods of bad weather, the traffic from private vehicles entering and exiting the school yard has been counted to be in excess of 100 cars. This situation persists despite the fact that the taxpayers are providing public school bus transportation, which is adequately used during good weather. If any parent is in doubt as to the hours private vehicles are allowed on school property, please contact the school and they will be glad to send new copies of the regulations. Until all the parents cooperate and obey the rules, the lives of the children will remain in danger.

The traffic on Route 1 continues to increase by leaps and bounds. As all are aware, the State has conducted an engineering study to remedy the problem; however, the cure appears, from North Hampton's standpoint, to be worse than the disease. A four-lane divided highway would cut our Town into two halves and dramatically change our rural atmosphere.

It would seriously impair the movement of traffic from one side of town to the other and create, in the opinion of the Highway Committee, more problems than it would solve. It would also be financially detrimental to many of our local businesses which can now be easily patronized by vehicles traveling in either direction. For some reason, the consulting engineers who drew up the divided highway plan do not seem to understand the correlation between the toll rate on the Turnpike and the increase in traffic on Route 1. It would be this Committee's opinion that a significant reduction in the tolls would result in a marked reduction in Route 1 traffic and what the State would loose in tolls would be far less than the cost of a new Route 1.

The Highway Safety Committee has had a busy and productive year. All the members of the Board have worked hard to carry out the resolutions adopted at the meetings. If any citizen observes any situation they wish to bring to the attention of the Board, please do so as our meeting dates are available at the Town Office.

Respectfully Submitted,

Robert J. Dunkle

Notice: School District Officers will be elected at the Town Meeting, North Hampton Elementary School Cafeteria, March 14, 1989, in accordance with the statutory election procedure adopted by the District at its March 1970 Annual Meeting.

Moderator Paul Cuetara opened the meeting at 7:30 p.m. establishing ground rules and introductions of School Board and Budget Committee.

ARTICLE I.....To see if the District will vote to authorize the North Hampton School Board to accept State and/or Federal grants and/or gifts for the North Hampton Annual Meeting.

Mr. Thomas Maynes moved that the Article be accepted.
Seconded by Mrs. Patricia Dowey. Vote was by show of hands.
MOTION PASSED

ARTICLE II.....To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District Officials and Agents, and for the payment of statutory obligations of the District.

Mrs. Patricia Dowey moved that the Article be accepted to raise and appropriate the sum of \$2,486,549.00, as recommended by the Budget Committee for the support of schools, for the salaries of School District Officials and Agents and for the payment of statutory obligations of the School District. Mr. Bill Hickey seconded.

Mr. Bill Hickey read the budget by accounts. In the process, there was discussion regarding teacher salaries, special education program, teacher-student ratio, and tutors.

Mrs. Cynthia Harvell moved to amend the budget to reinstate librarian aide monies of \$9,975.00. Mrs. Mary Myers seconded. There was discussion on the librarian's job and what it did entail.

Mr. Roger Rice moved to end discussion on the amendment.. Mr. Craig Kelleher seconded. On a hand count, the Moderator ruled that debate is ended. Called for a vote on the amendment. Motion to amend was Yes - 32; No - 72 defeated.

Mr. Bill Hickey continued with the budgt. There was some discussion on SAU Expenses. Maintenance-Equipment, Cost Savings of rezoning building, Blue Cross/Blue Shield insurance costs.

Mrs. Jill Brandt moved to AMEND the proposed 1989-90 budget to \$2,536.074.00 as initially proposed by the School Board. Mrs. Wendy Crowley seconded the motion. After discussion on this, Moderator Paul Cuetara called for a vote on the amendment to add \$49,525.00. Vote was by show of hands on the amendment. Motion to amend was defeated.

Seeing there was no other debate, Moderator Paul Cuetara called for a vote on the School Budget of \$2,486,549.00. Vote was by show of hands.

MOTION PASSED

ARTICLE III.....To see what action the District will take in relation to reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.

Mr. Bill Hickey made a motion to accept the reports of the Agents, Auditors, Committees or Officers of the district. The motion was seconded. No discussion. Vote was by show of hands.

MOTION PASSED

ARTICLE IV.....To transact any other business that may legally come before said meeting. Mrs. Patricia Dowey stated that a building committee was being formed and a proposal would be presented at the 1990 meeting.

Mrs. Patricia Dowey read A Special Resolution which was unanimously seconded by the members of the School Board as follows:

A SPECIAL RESOLUTION

WHEREAS:

Mr. Wayne I. Elliot has, for twenty-five years, been a teacher of English language arts at North Hampton Elementary School; and

WHEREAS:

Mr. Elliot has served as Administrative Coordinator for the school and as Interim Principal on various occasions; and

WHEREAS:

Mr. Elliot has served as coach, advisor, director, or chairman of every team, activity, organization, or ad hoc committee which has functioned in the school; and

WHEREAS:

Mr. Elliot has annually organized and conducted various student competitions, mostly significantly the Oratorical Contest; and

WHEREAS:

Mr. Elliot has, over the years, shared his love of words, his joy at beauty, his pride in achievement, and his devotion to job, school, and community with a succession of more than three thousand North Hampton graduates; and

WHEREAS:

Mr. Elliot has chosen to retire at the conclusion of the 1988-89 school year;

NOW, THEREFORE, BE IT RESOLVED THAT:

The North Hampton School District hereby recognizes Mr. Elliot as an extraordinary educator, a dedicated employee, and an outstanding humanitarian; and that

The North Hampton School District hereby declares that, henceforth, the North Hampton Oratorical Contest be known as the Wayne I. Elliot Oratorical Contest; and that

The citizens, parents and students of North Hampton and the administration, teachers, and staff of North Hampton Elementary School and School Administrative Unit #21 do hereby congratulate, commend, and honor Mr. Wayne I. Elliot.

Moved by Mrs. Patricia Dowe,
Chairman of the North Hampton
School Board, and

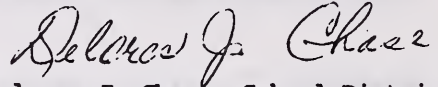

Unanimously seconded by the
members of the Board,
Mr. Thomas Maynes and
Mr. William Hickey, III

The Moderator directed that this resolution be adopted by
acclamation.

Mr. Wayne Elliot received a standing ovation.

Moderator Paul Cuetara adjourned the meeting at 10:03 p.m.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board
North Hampton School District
North Hampton, New Hampshire

We have audited the accompanying general purpose financial statements of the North Hampton School District and the individual fund financial statements of the School District as of and for the year ended June 30, 1989, as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1C, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the North Hampton School District at June 30, 1989, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles. Also, in our opinion, the individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the School District at June 30, 1989, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles.

REPORT OF THE PRINCIPAL
NORTH HAMPTON ELEMENTARY SCHOOL
JANUARY 1990

North Hampton Elementary School continues to maintain its reputation as among the finest elementary schools in the state and region. During the past year, our program, staff, and students have continued to receive recognition and approval. Consider the following:

- our 7th and 8th grade English teacher, Mrs. Karen Weinhold, was invited to address the National Council of Teachers of English Convention concerning the teaching of writing;
- an independent evaluation of our special education program found our services and approach to be "state of the art" and highly commendable;
- our graduates continued to garner disproportionate numbers of awards and honors in their high schools, prep schools and colleges;
- our two-year old Enrichment program has earned accolades from professional educators, parents, and students alike;
- our students again scored at the highest levels on regional, state, and national achievement tests.
- our Life Skills program continues to develop and improve while earning high praise from parents, students, and experts;
- our students routinely distinguish themselves on athletic fields and floors, in musical and dramatic productions, and in artistic endeavors.

The year 1989 also marked the end of Wayne Elliot's 25-year tenure at North Hampton Elementary. His departure has left a void which has been difficult to fill; we miss him. Wayne's retirement resulted in an administrative reorganization with Mr. Eric Wigode assuming the dual position of Assistant Principal and Director of Student Services and Mrs. Beverly Sarno becoming the Office Manager and Principal's Secretary. I am most grateful to both of them for all of their efforts.

I am also grateful for the services of Mrs. Margaret Carroll who ably served as my replacement during my recent leave of absence. Mrs. Carroll and the entire staff did a fine job keeping things moving in my absence. I am also most appreciative of the many kind words and thoughts so many of you have sent my family's way.

Our major undertaking at school this year is a review of our curriculum and practices in the area of science education. The staff is currently engaged in a variety of activities designed to provide students with learning experiences which focus on science but include and incorporate many other subjects in an activity-based learning format. I look forward to the staff's continuing success in this endeavor.

Perhaps most fundamental of all to our year has been the promulgation by the School Board of North Hampton's Strategic

Principal's Report - 1990 - page 2

Plan. This document, more than two years in development, lays out a vision of where we would like to be as a school and a framework of key factors which must be achieved to reach that goal. The Plan calls for active participation of all citizens in the life of our community and school. I urge you to become familiar with the document and the Plan.

Our school has again received the tremendously wonderful assistance and support of the Boosters, a dedicated group of parents and friends who provide volunteers, fund-raising and enthusiastic encouragement for all kinds of events...social, educational, service, and entertaining. North Hampton would not be the same without them.

The past year was marked by a generous and anonymous gift of \$10,000 to the school for the purchase of computer equipment. This grant allowed us to purchase several computers for student use and to install the Newsbank computer information retrieval system in our library. This wonderful tool has already proven invaluable to students and staff alike. To the kind citizen of North Hampton who provided this gift: a sincere and heart-felt thanks from the students and staff at NHES.

I look forward to 1990 as a year of continued growth. It is my fervent hope that the citizens of North Hampton will recognize our need for additional facilities and will support the School Board and Building Committee's proposed addition to the school. We have reached the limits of our building; our program and our children need the expanded library, larger gym, improved cafeteria, and the resultant educational space these programs will leave behind. I encourage you to visit the school to see for yourself. Please come in!

I wish to close by thanking the staff at S.A.U. 21 and in particular the Superintendent, Dr. Norman C. Katner, who is retiring this June. We will miss Dr. Katner and wish him well in retirement.

Respectfully submitted,

Gordon P. Quimby, Principal

Norman C. Katner
Superintendent of Schools
